Board Meetings are held the 3rd Wednesday of every month at 7PM at the Terrace Centre.

Dear Worth Park District Residents, Families and Friends:

At the time this was written, our community and country were experiencing a difficult and challenging time. Along with the other governmental bodies which serve you, this was also a “first” for the Park District. With the changes and updates that seem to occur every day, we will continue to serve you to the best of our ability and strive to always provide quality programs and services.

It is certainly our hope that by the time you receive this brochure that Park District operations are back to normal. The Park District plans to offer in Summer 2020 a wide variety of programs that will be a lot of fun and relaxation for everyone. Please read through the brochure and select what is good for you.

Over the past few months, staff has been seeking input regarding what type of new programs and services the Park District should offer. Some of these suggestions have already been implemented, but we welcome more! Please call us, send an email, or come in and talk to us, and let us know what you have an interest in, what you have seen elsewhere, etc. It is always a priority to listen and take interest in what the community would like to see.

Your patience and understanding during this time are greatly appreciated. As always, please feel free to contact me at any time.

Enjoy the Summer season!

Director of Parks and Recreation

This would include individuals who have varying degrees of physical or mental disabilities, learning disabilities, behavior disorders, attention deficit disorders, hearing or visual impairments.

Special Inclusion: some people with disabilities prefer to have recreation opportunities in traditional recreation programs with people who do not have disabilities. To meet this need, SWSRA provides training, support staff and assistance to partner park districts and local recreation departments so inclusive recreation can be enjoyed by all!
