## Board of Park Commissioners

Paula Marr

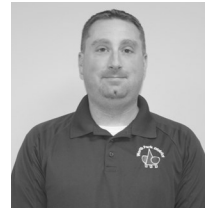

Mike McElroy

Melissa Brancato

Dan Feltz

Matt Urban

Board Meetings are held the 3rd Wednesday of every month at 7PM at the Terrace Centre.

It is hard to believe that the year 2020 is almost here. We certainly hope that it is a great year for all, and we thank you for spending some of your time with the Worth Park District. As you look through the Winter Spring 2020 Activity Guide, if there is something that is missing that you would like to see the Park District offer in the future, please let us know. We are always receptive to how we can better serve you.

In August, the Park District unveiled a very special feature in Kennelly Park - the Dana Modrick Memorial Garden. Dana was a very special person to the Park District who worked in a variety of positions, but primarily with the RAS (Recreation After School) and the Summer Day Camp programs. After a courageous battle with cancer, Dana passed away in 2016 at the young age of 25. She was loved by many, and the Park District wanted to do something that would show its love and appreciation for her dedication and commitment to the Worth Park District - especially the children that she served. We hope for many years to come that this can be enjoyed by all who loved her.

We certainly hope that you will join us at the upcoming Special Events like the new "Illumination Celebration" on Friday, December 6 and all the exciting events that are forthcoming this season!

As always, please feel free to contact me at any time with questions, concerns or just a conversation. Enjoy the Winter Spring season!

Robert O'Shaughnessy, CPRP  
Director of Parks and Recreation
